Sunday 6th April – 2 Man Texas Scramble
Sunday 13th April – Singles Stableford 14
Sunday 20th April – Better ball Stableford
Sunday 27th April – Singles Stableford 15

For this winter we have planned to play just pairs and individual competitions again.

This year we will be running an individual league.

This league will be for all members and the winner will be the person with the highest 10 from 15 aggregated total. *

* This may be lowered due to the amount of singles stableford competitions that are played over the course of the winter season.

There will be 15 rounds of qualifying individual Stableford competitions (weather/course permitting), see list, and there will be prizes for 1st, 2nd & 3rd.

There is no extra cost for this league and a list of the running totals will be put up on the notice board.

Any questions please speak to a member of the competition committee.

Competitions will be subject to change dependent on weather and course conditions

The Competition Committee
